

The FAA Safety Team presents:

Safety Directors Forum: Your Helicopter Crashed - Now What? at HAI HELI-EXPO 2015

This interactive session will address FAA and National Transportation Safety Board (NTSB) requirements and investigative protocols following an aircraft accident. Safety directors or their representatives will be able to engage the presenters in an open discussion of emergency response and post-accident procedures. This is a unique opportunity for anyone managing an aviation safety program. This session is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2015. Rotor Safety Challenge sessions are FREE to all HELI-EXPO 2015 attendees and exhibitors. Attend at least six Rotor Safety Challenge sessions and receive a certificate of recognition. Take the Safety Challenge in three simple steps: 1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule - <http://www.rotor.com/takethechallenge>. 2. At the conclusion of each session, receive a token from the room monitor or presenter. 3. Once you have earned at least six chips, take them to the HAI Safety Committee Booth (#1115) to receive a certificate of recognition. Note: You must present your HELI-EXPO attendee badge to attend any Rotor Safety Challenge sessions. For more information contact HAI at 703-683-4646, or <mailto:education@rotor.com>.
